

Motivated reasoning in minimal groups

M. H. Tessler, Erik, and Andres

Psych 241
June 8, 2014

1 Introduction

1.1 Motivated reasoning

1.2 Sources of motivated reasoning: optimism biases

2 Minimal groups

3 A computational model

4 Experiment 1

4.1 Methods

4.2 Materials

include exclusion criteria

4.3 Procedure

4.4 Results

5 Experiment 2

5.1 Methods

5.2 Materials

include exclusion criteria

5.3 Procedure

5.4 Results

6 Discussion
